The Town has been working to update its zoning since 2015, in order to bring it into compliance with the goals of the Comprehensive Plan and Ag & Farmland Protection plan. A draft has been completed and is ready for additional public input.

A dedicated message was sent via this newsletter on Monday, Aug. 6. Follow this link to see more information: <http://www.ulysses.ny.us/pages/current-issues/155/zoning-update-open-houses-public-mtg/>

HABs CONTINUE IN CAYUGA LAKE

Harmful algal blooms have been found in Cayuga Lake but they can come and go quickly. Most guidelines suggest that if you see a bloom, stay out of the water for 24 hours, and especially do not let pets drink from the water during this time.

The Town of Ulysses is proud to support two affiliates: the Cayuga Lake Watershed Network and the Community Science Institute, two amazing non-profit organizations partnering to provide the most up to date information on most recent blooms. See their data here: <http://www.communityscience.org/cayuga-lake-2018-harmful-algal-blooms-results/>
